The "Becelec" Electric Burner

Electric Burner offers a unique replacement option to conventional gas bunsen burners. The high power heater combined with a reflective internal stainless steel bowl produces a concentrated stream of heat comparable with that of existing gas-powered bunsen burners.

Specification VM-3000MD

Temperature range	37 to 920°C
Diameter of heating area	130mm
Weight	1.7 kg
Power	500 Watt

£115
